

# WIDER CONTEXT

A Devonian market town – relation to existing communities – the wider context of Plymouth

**Sub-Regional Context – well related to existing settlements** (ref Masterplan Book)

**Aerial Photograph of the Site – assimilation into the landscape** (ref Masterplan Book)

*Sherford will deliver a highly sustainable urban extension to Plymouth, with the logic of a traditional market town. This will include up to 5,500 new homes and up to 7,000 new jobs.*

*Sherford will provide a clearly defined defensible limit for Plymouth's eastward expansion, and also capacity for further westward expansion as required by the Devon Structure Plan.*
